### Sports Funding 2023-24

The sports funding is additional funding for publicly funded schools in England to improve the quality and breadth of PE and Sport provision. Schools are free to determine how best to use this funding to increase participation in PE and Sport so that all pupils can develop healthy lifestyles and reach the performance levels they are capable of.

For the academic year 2023-2024 William Gilpin Church of England VA Primary School will be allocated **£17,133**.
