

As children:

At William Gilpin School, we build our behaviour expectations around the key words: **READY, RESPECTFUL, SAFE.**

As a child therefore, I will ensure:

- I am **ready** for learning. I have what I need and am **ready** to listen to adults.
- I am **respectful** in the way I speak and act towards all others.
- I keep myself and others **safe** by thinking carefully about my actions.

Home School Agreement

Working in partnership towards your children's futures.

As a school we value relationships very highly and this is why our home school agreement is so important. This agreement describes what you can expect from us, what we ask from you as parents and the school rules we ask your child to follow. I ask that you read this carefully, share it with your child and then sign it and return to school.

As a school we will:

Build outstanding relationships:

- Value and respect each child as an individual.
- Provide a safe, happy and caring environment.
- Keep parents informed and listen to their views and concerns.

Hold high expectations:

- Encourage high expectations and pride in achievement.
- Provide opportunities for pupils to achieve their potential.

Ensure an excellent all round experience:

- Provide a range of extra curricular activities designed to enrich the child's school experience.
- Promote good behaviour and nurture high self-esteem.
- Provide a broad and balanced curriculum that is appropriate to the child's needs.
- Celebrate children's achievement in and out of school.
