

William Gilpin Church of England Primary School

3-5 Year Strategic Objectives

To provide all pupils with rich educational experiences to develop their character, individual potential and ability to think critically.

For the whole school family to play a significant role in the local community, with pupils who understand how to contribute to the world around them.

To foster a strong and reciprocal partnership with St John's church to develop Christian distinctiveness and spirituality.

To establish a sporting ethos which celebrates the participation and success of our pupils, both individually and as part of a team.

Through continued collaboration with local schools, to deliver an engaging, rigorous and innovative curriculum which recognises our unique local heritage.
